

*why* SCRIMP LIKE A PEASANT WHEN YOU COULD

# live like a queen

Whether you are a working mother, stay-at-home mom, retired, medically homebound, or just trying to save a few bucks, The Budget Queen is here to help. Learn how to cut your grocery bill in half, use what you have in fridge/pantry, plan ahead so you can save more money!

You will learn a systematic process to spending, which can help you maximize your dollar so you can live within your means. It's a modern way of spending that allows you to spend and save without sacrifice.
